

# Unforgiven

Beck

Drive to the night  
Far as it goes  
Away from the daylight  
Into the afterglow

Somewhere unforgiven  
Time will wait for you

Down on the street  
Just let the engine run  
'Til there's nothing left  
Except the damage done

Somewhere unforgiven  
I will wait for you

Somewhere unforgiven  
Time will wait for you

Somewhere unforgiven  
I will wait for you
