

Fly

Beckah Shae

Here is where I belong now
High above the fear and doubt
I know nothing can keep me down
Everywhere I look is up
It's the only way that I can fly
With the Son in my eyes
I've got love, peace and a sound mind

Rising above the clouds and the rain
I know it's going to be ok
I'll never give up
No matter what comes my way
Cause tomorrow always brings a new day

Fly, Fly, Fly higher and higher
Fly, Fly, Fly I can feel my faith arise

Here is where my joy is found
High above the tears and frowns
Cause in Your presence I'm no longer bound
Looking forward to the great unknown
Cause it is well with my soul
I put my trust in You alone
Cause I know You are faithful

And as I wait
You give me new strength
To run and not grow weary
walk and not faint
Soaring on love
With forgiveness as the key
I'm unlocking Your truth and freedom in me

Fly, Fly, Fly higher and higher
Fly, Fly, Fly I can feel my faith arise

Soaring, Exploring,
In new realms of glory
Oh I see, Your majesty
And I am amazed!

You cover me with your feathers
Under Your wings I am safe
I hear the beating of Your heart
And I know I'm in the right place

Fly, Fly, Fly higher and higher
Fly, Fly, Fly I can feel my faith arise

Fly, Fly, Fly higher and higher
Fly, Fly, Fly I can feel my faith arise
