

# Holy Spirit

Beckah Shae

I want more of you  
So come meet me here in this place  
And how I need you, I just can't keep doing  
Things my own way  
I've decided there's not a moment where  
My life is fulfilled without you  
So come and reveal your truth to me  
Give me ears to hear, eyes to see, and let your love  
Remind me  
You are my shining star, leading me to my destiny  
And my faith increases every time I see your gifts displayed  
Oh, how they amaze me

And in this hour, release your power  
And let your peace saturate me  
So come and reveal your truth to me  
Give me ears to hear, eyes to see, a heart that's free!

Holy Spirit come, and fill me with your love  
Holy Spirit consume me, and overwhelm me with  
Your peace  
Holy Spirit move, I wanna do the things you do  
Holy Spirit make me whole, and put that joy deep  
In my soul

I have a desire to know more of your glory  
I know the reality of heaven is so much  
More than it's story  
So I'm inviting you to right here  
Where I am  
To experience just who you are  
So please demonstrate for me,  
Miracles  
Your signs, wonders, visions  
And dreams  
So secrets be told, and mysteries unfold  
Open up your heaven, let your anointing flow  
So come and reveal your truth to me  
Give me ears to hear, eyes to see, a heart that's  
Free! Oh!  
I wanna move like the wind apart from my control  
You are my confidence, oh how you make me bold  
I can heal the sick, raise the dead, I can cast out  
Demons  
I wanna move like the wind apart from my control  
You are my confidence oh how you make me bold  
From rainbows to prophecy, your revelation is all I need!
