

Just To Know

Beckah Shae

I know what I want, it's You (it's You).
And I know what I need, it's You (it's You).
I wasn't always this sure, (of You) it's true.
But I came to know You well, know You better,
And now You're all I wanna know!

You're the song my heart sings,
And I'd give up everything
Just to know, just to know You better.
This world has nothing for me,
and I count it all as loss,
Just to know You well (well).
And I wanna feel Your heartbeat,
I'll be Your hands and feet,
Just to know, just to know You better.
This world has nothing for me,
and I count it all as loss,
Just to know You well (just to know You).

I know there's more,
To what I'm seeing, to what I'm feeling.
And I know that You're,
Bigger than my dreams, greater than our needs.
And no matter what, I'm confident You are with me.
And I know that I don't understand everything,
But I know what I need, it's You!

You're the song my heart sings,
And I'd give up everything
Just to know, just to know You better.
This world has nothing for me,
and I count it all as loss,
Just to know You well (well).
And I wanna feel Your heartbeat,
I'll be Your hands and feet,
Just to know, just to know You better.
This world has nothing for me,
and I count it all as loss,
Just to know You well (just to know You).

My life means nothing to me,
Unless I know, unless I know You well.
Willing to take the blow, be accused, abused or more,
Whatever it takes, I just wanna know.
Cause Your grace amazes me,
And You're love, oh how it's saved me from myself,
Now I can't help just to know!

You're the song my heart sings,
And I'd give up everything
Just to know, just to know You better.
This world has nothing for me (throw it all away),
and I count it all as loss,
Just to know You well (well).
And I wanna feel Your heartbeat (wanna be closer),
I'll be Your hands and feet (where You go).
Just to know, just to know You better.

This world has nothing for me (throw it all away),
and I count it all as loss,
Just to know You, just to know You.
