

# Life

Beckah Shae

Here I go, I'm on my way  
With my Love glasses on...  
Here I go, I'm on my way  
I see more clearly and I feel strong...

More More More More  
There's got to be so much more to this life  
My My My My heart is racin' just to know what it is like  
More than I could expect, anticipate or imagine  
I'm willing to believe amazing things are still happenin'

I'm gonna live the rich LIFE (rich LIFE)  
The full and blessed LIFE (blessed LIFE)  
So if y'all know what I mean,  
put your hands up and declare with me  
Love In Full Effect, Chaim!  
I'm gonna live the good LIFE (good LIFE)  
Beautiful and glorious LIFE (glorious LIFE)  
So if y'all know what I mean,  
put your hands up and declare with me  
Love In Full Effect, Chaim!

Here I go again on my mission to give it all  
(give it all, give give it all all)  
Cause I'm aware that  
what I share will come back good measure  
Pressed down, shaken together and runnin' over

Life Life Life Life Is whatever I receive it to be  
Why Why Why Why Not jump over doubt and dive into belief?  
More than I could expect, anticipate or imagine  
I'm willing to believe amazing things are still happenin'

I'm gonna live the rich LIFE (rich LIFE)  
The full and blessed LIFE (blessed LIFE)  
So if y'all know what I mean,  
put your hands up and declare with me  
Love In Full Effect, Chaim!  
I'm gonna live the good LIFE (good LIFE)  
Beautiful and glorious LIFE (glorious LIFE)  
So if y'all know what I mean,  
put your hands up and declare with me, yeah  
Love In Full Effect, Chaim!

No eye has seen nor ear has heard...  
My My My My faith is breathing only because,  
I I hear these words...  
Exceeding and abundantly more  
than we could even ask or think (whoa)  
Surpassing all human understanding  
I've been given this amazing peace  
(this amazing peace)

I'm gonna live the rich LIFE (rich LIFE)  
The full and blessed LIFE (blessed LIFE)  
So if y'all know what I mean,  
put your hands up and declare with me

Love In Full Effect, Chaim!  
I'm gonna live the good LIFE (good LIFE)  
Beautiful and glorious LIFE (glorious LIFE)  
So if y'all know what I mean,  
    put your hands up and declare with me, yeah  
Love In Full Effect, Chaim!
