

Message Of Love

Beckah Shae

This is the message of love
The name of my Father above
Unable to fully comprehend in this world
Countless ways to explain, still never enough
I just keep on pressin on
I just keep aimin for that mark
And I won't give up, the fight for love, it's all I
live for, now and forever
Listen, cause I know
There's a way that seems right to a man
Too many people searching, empty, lonely, hurting
And everything seems crazy, did you ever think maybe?
The cure is found in history's pages?
Oh and it has been written, that people are dying for
lack of knowledge, or a stubborn sense of selfish
expectations
Don't you know the carnal superficial minds will never
find freedom beyond the natural eye
Famous Isaiah, Jewish Prophet, with few friends in your
lifetime, you chose to remain by your God's side
This is what you said Oh (everybody's got to know this)
He did not appear beautiful or majestic
He was despised and rejected
As a man of sorrows, so oppressed, yet he never said a
word
He had done no wrong yet he was led like a lamb to the
slaughter
It's hard to understand
Everybody can't
Cause as high as the heavens
Are his ways higher than our ways
And his thoughts are higher than our ways
I believe in love, redemption sings us a love song of
sweet salvation
