

Brrp, brrp

Every time you see me with my little black dress on  
Know you need me  
Say you want a freak, sir, I can see it  
You wanna be grown, no, rated PG  
Baby, you should know that I ain't easy  
With my little black dress on  
With my little black dress on  
With my little black dress on  
Little black dress on

I'll save the date like it's your birthday  
You tell me you just want a piece of the cake (Birthday cake)  
I just might let you get some today (Huh)  
'Cause the way you been grinding on me  
You got me feeling some type of way  
I'm into all these moves

Press this McQueen, it fits me real tight  
I got your hands taking a ride on the wild side  
Know what they say about girls from these sides  
You wanna risk it all

Every time you see me with my little black dress on

I know you wondering what's under here (yeah, yeah, yeah)  
Seen pineapples, just imagine that (yeah, yeah)  
Just a dirty little teaser (yeah, yeah, yeah)  
Type of love that have you coming back (Hold up)

Press this McQueen, it fits me real tight

Es mucha tentación, tú puedes ver pero no tocar  
Usa tu imaginación, que nunca sabes que va a pasar  
Acércate a mí un poquito mas, oh-oh-oh  
Si te portas bien te lo voy a dar

Every time you see me with my little black dress on  
Know you need me
