

# Magik

Becky G

Hi, my name is Becky and I approve this message

Get it Becky!

Abracadabra  
Call me mind master  
I cast a spell on every beat  
The rabbits out the hat, huh?  
Every show a new surprise  
I leave them mesmerised  
Got all the fellas hypnotised  
With all my magic lines  
I'm a magician  
Yes si soy un mago  
Si quieres ver mi magia  
No más me deces quando  
Soon you'll start to believe  
Open your eyes and see  
It's Austin Mahone and Becky G

I got the magic in me  
Every time I touch that track, it turns into gold  
Everybody knows I've got the magic in me  
When I hit the floor the girls come snapping at me  
Now everybody wants a blast of  
Magik, magik, magik  
Magik, magik, magik  
Magik, magik, magik  
Ahooh  
I got the magic in me

I got some tricks up my sleeve  
Just wait and see  
Come little closer  
Close your eyes and count to three  
Open, voila, so spectacular  
I even got magic to make the haters disappear  
I got my rhymes  
They're like my special potion  
So when I start to rap them  
The whole track starts turning golden  
And now I'm through  
It's the end of verse two  
Like bipadee bopidee boo

I got the magic in me (I got the magic baby)  
Every time I touch that track, it turns into gold (Yes, it turns to gold)  
Everybody knows I've got the magic in me (I got the magic baby)  
When I hit the floor the girls come snapping at me (They be snapping baby)  
Now everybody wants a blast of  
Magik, magik, magik  
Magik, magik, magik  
Magik, magik, magik  
Ahooh  
I got the magic in me  
I got the magic in me  
Magik, magik, magik

Magik, magik, magik  
Magik, magik, magik, (ma, ma, ma, ma...)

I got the magic in me (I got the magic baby)  
Every time I touch that track, it turns into gold (Yes, it turns to gold)  
Everybody knows I've got the magic in me (I got the magic baby)  
When I hit the floor the girls come snapping at me (They be snapping baby)  
Now everybody wants a blast of  
Magik, magik, magik  
Magik, magik, magik  
Magik, magik, magik  
Ahooh  
I got the magic in me
