

Take Care

Becky G

Know you've been hurt by someone else
I can tell by the way you carry yourself
If you let me, here's what I'll do
I'll take care of you
I've loved and I've l
I've asked about you
and they've told me things
But my mind didn't change
I still the feel the same
What's a life with no fun?
please don't be so ashamed
I've had mine, you've had yours, we both know

We know, they don't get you like I will
My only wish is I die real
Cause that truth hurts, and those lies heal

And you can't sleep thinking that he lies still
So you cry still, tears all in the pillow case
