

We Are Mexico

Becky G

"Hard work, double time, overtime, two jobs, working till our heads hurt,
But we ain't never late to pay the bills."
"Mother said, 'Always follow your heart, make sure you keep your head
Above the water,' and I promised her I always will."
I see 50 Latinos, 50 Latinas,
That's my crib on the weekend, that's mi familia
Talking in spanglish, en español,
I'm just here to let you know,
If you don't know
Now you know
(ououo)
We are Mexico
(ououo)
It don't matter where we go
(ououo)
Viva Mexico!
