

Dig On This

BEDlight for blueEYES

You said I'm lazy baby
you say I'm wasting all my time
but I'm not worried darlin'
my mission party all the time

Rock rock the fm radio
na na na na na na na na
don't stop until you lose control
na na na na na na na na
wasted on the avenue
waiting for that dream to come true
you told me I'm crazy
you gotta be crazy
you got to, you've got to believe
you told me I'm crazy, crazy

We bled for the dreams that fuel us
and now we're coming to collect
gimme gimme that easy money
you know you want what's coming next

Rock rock the fm radio
na na na na na na na na
don't stop until you lose control
na na na na na na na na
wasted on the avenue
waiting for that dream to come true
you told me I'm crazy
you gotta be crazy
you got to, you've got to believe
you told me I'm crazy, crazy

What did you want from me?

Mi corazon no falta
there is nothing that I fear, there is nothing that I fear
mi corazon no falta
there is nothing that I fear, luchare hasta el final
and you'll never take that away

You told me I'm crazy
you gotta be crazy
you got to, you've got to believe
you told me I'm crazy, crazy
crazy
