

Follow The Sun

Bedouin Soundclash

Ooooooo

O the sun gets heavy Sinking into the city Burning off the day
Into are daze remains

O will follow the sun Follow the sun Follow the sun Follow the
sun

Oooooo...

If God is the sunlight You must be a flower he likes On and on
the distance And the time it took us for this

As we follow the sun Follow the sun Follow the sun Follow the s
un

O when we get older We may not have his shoulder We are young a
nd able As the evening gets unstable

And we follow the sun Follow the sun O we follow the sun Follow
the sun

Ooooooo
