

When The Night Feels My Song

Bedouin Soundclash

I'm on the rocky hill
Heading down off the mountain slope
And as my steps echo, echo louder than before
Another day is done
Say goodbye to the setting sun
See what I found
Turn back to the ground
Just as before

Hey hey hey, hey beautiful day
Hey hey hey, hey beautiful day

When the night feels my song
I'll be home, I'll be home

Into the undergrowth
To stand out on a lonely road
In the twilight, the day turns to night
And I'm alone
And when the light has left
I'm not sure of my every step
Follow the wind, that pushes me west
Back to my bed

Hey hey hey, hey beautiful day
Hey hey hey, hey beautiful day

When the night feels my song
I'll be home, I'll be home
