

Anything for You

Bee Gees

When you wait and you watch
And you're wishing for something wild
Figure I can please you someday someday
Figure I can put your love on trial

I'm taking you back to school
Talk about making it something real
Nobody could deny you anything
I'd do anything

You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you

You, you can run with the fun
You can tickle my nerves inside
In the face of heartbreak, heartache
Gonna be a magic carpet ride

Better we make it soon
Let it be the one that make you cry for more
Anyone else would buy you anything
But I'd do anything

You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you

I'd do anything
I'd do anything
I'd do anything
I'd do anything

You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you

I'd do anything
I'd do anything
I'd do anything
I'd do anything

You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you
You know I'd do anything, anything for you
