

# Anything for You

Bee Gees

When you wait and you watch  
And you're wishing for something wild  
Figure I can please you someday someday  
Figure I can put your love on trial

I'm taking you back to school  
Talk about making it something real  
Nobody could deny you anything  
I'd do anything

You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you

You, you can run with the fun  
You can tickle my nerves inside  
In the face of heartbreak, heartache  
Gonna be a magic carpet ride

Better we make it soon  
Let it be the one that make you cry for more  
Anyone else would buy you anything  
But I'd do anything

You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you

I'd do anything  
I'd do anything  
I'd do anything  
I'd do anything

You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you

I'd do anything  
I'd do anything  
I'd do anything  
I'd do anything

You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you  
You know I'd do anything, anything for you
