

Be Who You Are

Bee Gees

Be who you are
Don't ever change
The world was made to measure for your smile
So smile.

Those crazy dreams
we threw, we threw away
I never been alone with you
I never could
They say

That love will find a way
And love will never be set free
I won't ever let you be
You could not understand
You never will

Be who you are
I bless I bless your name
And all that summer madness caused the rain
And we. we

The glory that we made
My love will grace the halls of time
A love that never can be mine
You could not love me then
I love you still

Be who you are
Seize life and find a way
And I will be that shadow loving who you are
Be who you are
We were
