Elisa

Bee Gees

All that I need is just a piece of paper Say a few lines, make up my mind so she can read it later, when I'm gone Elisa, goodbye, Elisa

All that I need is just a quiet corner Bring to the light , things I must write Got to get it over with, choose Elisa , goodbye, Elisa

The song that I sing The times I've tried to hide it I'm sorry to say, I'm going away That's what I've decided on I've tried Elisa , goodbye, Elisa

Goodbye Elisa Elisa goodbye Elisa goodbye Elisa, Elisa
