

How deep is your love

Bee Gees

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
Keep me warm in your love, then you softly leave
And it's me you need to show

R: How deep is your love - How deep is your love
I really mean to learn, 'cause we're living in a world of
fools breaking us down
When they all should let us be - We belong to you and me

I believe in you, you know the door to my very
soul
You're the light in my deepest, darkest night
You're my savior when I fall

And you may not think I care for you
When you know down inside that I really do
And it's me you need to show
