

How Many Birds

Bee Gees

I was so lonely without you, baby
Don't know what I'm gonna do
I'm goin' crazy without you, baby
Look at what I'm goin' through

How many times must I tell you I love?
Tell you I love you, times before
Don't believe that I'm worth all your kisses
I'm worth more than this but you ignore

How many birds will I see high and flying?
How many birds will it take till I get you?
I will be crying, yeah

Maybe tomorrow you'll come walkin' my way
Come talkin' my way, you'll find out
My love for you will be stronger and truer
I'll look at you and there's no doubt

How many birds will I see high and flying?
How many birds will it take till I get you?
I will be crying, yeah

I was so lonely without you, baby
Don't know what I'm gonna do
I'm going crazy without you, baby
Look at what I'm goin' through

Baby, baby, baby
