

# I Can't Let You Go

Bee Gees

Do you love me women, truly do ya?  
Can you feel this feeling going through ya?  
Are you of the mind that we should live together through this night?  
Or tell me you're my virgin queen and it may not be right

But don't make me say  
I can't let you go and it's breaking me down  
Just thinking of your face and it won't be around  
Just look at me now  
I feel a stranger inside, stealing my pride, I can't let you go  
And it's breaking me down 'cause you won't be around

When all this world of ours is falling apart  
I'll keep on hanging on and fixing my heart  
'Cause everyone is just like me, they're praying in the sun  
And I may be that lucky man surviving when they're gone

But don't make me say  
I can't let you go and it's breaking me down  
Just thinking of your face and it won't be around  
Just look at me now  
I feel a stranger inside, stealing my pride, I can't let you go  
And it's breaking me down 'cause you won't be around

Just look at me now  
I feel a stranger inside, stealing my pride, I can't let you, can't let you go  
And it's breaking my down 'cause you won't be around

Just look at me now, I can't let you go  
Just look at me now, I can't let you go  
Just look at me now, I can't let you go  
Just look at me now, I can't let you go
