

# In the Summer of His Years

Bee Gees

In the summer of his years  
He would always smile  
He would laugh every day  
If he was here to stay  
For the summer of his years

In the daylight of his dreams  
He would save his tears  
He would always hear  
When there was no one near  
For the summer of his years

Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah  
For the summer of his years  
For the summer of his years  
Ah, ah
