

Lonely Days

Bee Gees

Good morning, mister sunshine, you brighten up my day
Come sit beside me in your way
I see you every morning outside the restaurants
The music plays so nonchalant

Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?

Good morning, mister sunshine, you brighten up my day
Come sit beside me in your way

Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?
Lonely days, lonely nights, where would I be without my woman?
Yeah, yeah, yeah, yeah, lonely days, lonely nights
