

My Lover's Prayer

Bee Gees

In the history of, a life takes a heart
And the power ever of love comes together
Surely nothing can tear it apart
And the touch of your hand I can feel
That what we got is stronger than steel
And that's when you hear

It's my lover's prayer
It's my own silent message to you
Takes me there, my lover's prayer
And my soul is divided in two
With my love on the line
I send it all over the world
Out on the air, 'cause I can't let go
And my heart has a mind of it's own
It's my lover's prayer

It's the mystery of, a place blessed by us
And the moment of truth is forever
In the face of incredible odds
And the look in your eyes, tells me why
Let our words burn a sign in the sky, high high

It's my lover's prayer
It's as easy as talking to you
All my life, having you there
In my own private vision come true

It's Heaven on earth
You're the fire and all that I'm worth
And I can be strong to hold the key
Don't say it's over, don't say it's over for me
(Don't say it's over, don't say it's over for me)

It's my lover's prayer
(My lover's prayer)
It's as easy as talking to you
(It's easy, it's easy)
All my life having you there
(Having you there)
In my own private vision come true
In my search for your love
I send it all over the world
It's all I can bare, and my nights get long, long
And my heart holds on, it's no empty words
It's 'bout having strength
(Having strength)
It's my own silent message to you
(Message to you, take me so)
Takes me there, my lover's prayer
(Ohh)
And my soul is divided in two
'Cause I can't let go
(Can't let go)
And my heart has a mind of it's own
It's my lover's prayer
