

## Sincere Relation

Bee Gees

George was born somewhere  
Inside London town  
Working as he grew  
For that extra pound

Respected by all  
He married and made a home  
To give his children  
More than he had known

But then he died  
Without an explanation  
He never lied  
A very sincere relation

Years before a fire  
Sent him in the street  
It took him months of work  
To make ends meet

But then he died  
Without and explanation  
He never lied  
A very sincere relation
