

# Someone Belonging to Someone

Bee Gees

I know how I feel  
Lonely in the black of night  
There can be no love for me now  
Nobody listens when the words ain't right  
And you get into someone else  
It's hard for me to know  
Who's lovin' who  
And where do I stand  
What did I do it all for  
There's no one I could love more  
I did it for your heart alone  
All that I try to be growin' inside to me  
I can be strong if you're there

And there is someone belonging to someone  
And I got no one belonging to me  
I live in a world where the face of an angel  
is all that a fool can see  
You got the power to find me whenever I'm lost  
Where are you ? Who are we?

I believe in time  
Can eat away a heart of stone  
And baby if I leave you too late  
It's just a feather and the bird has flown  
It's colder when the fire dies  
With all the trouble I'm in if I lose you too

Then what is my life  
If I don't wanna go through  
Anything without you  
Couldn't be life at all  
I could be lyin' on  
You are the only one  
We didn't make it by chance  
And there is someone  
belonging to someone  
And I got no one belonging to me  
I'm caught in a world on  
the edge of tomorrow  
It's all that a fool can find  
I don't belong in the arms  
of a love that is lost  
Nowhere to cry  
There must be something we  
can say my love  
Something except goodbye

And there is someone belonging to someone  
And I got no one belonging to me
