## **Suddenly**

How can you tell by lookin' at me? How can you tell, you like what you see? Suddenly there's a boy in the rain alone Suddenly there's a girl in the rain alone

Oh, yeah

How can you tell humans are real? How can you tell, you like what you feel? Suddenly there's a girl in your heart, oh, boy Suddenly there's a boy in your heart, oh, boy

Yeah, yeah

Yeah, how can you tell by lookin' at me? How can you tell, you like what you see? Suddenly there's a boy in the rain alone Suddenly there's a girl in the rain alone
