

# Then You Left Me

Bee Gees

I never ask for any time from you baby  
I never ask for any lies  
You only hurt the one you love the most baby  
You only had to make me cry

'Cause you left me  
All alone  
Oh you left me  
To stand alone

Hey! And every night I sit beside my bed baby  
And I keep thinking of your love  
The things we dreamed about how much I love you baby  
We had the world and the stars above

But then you left me  
All alone  
Oh you left me  
You left me  
To stand alone

Aah you left me  
To stand alone  
Aah you left me  
To stand alone

You left me  
You left me  
You left me  
You left me
