

# This Is Where I Came In

Bee Gees

I've seen the story  
I've read it over once or twice  
I said that you say  
A little bit of bad advice  
I've been in trouble  
Happened to me all my life  
I lie and you lie  
And who would get the sharpest knife

You know I shouldn't be somebody like that  
I'm not the kind of man to throw his hat into the ring and  
Go down without following through  
The day turns into night  
Go down without following through  
The day turns into night

Ohh  
Ohh  
Ohh  
This is just where I came in

Hope rides on  
But I'll go anywhere  
Yes, I'll go anywhere with you  
Time has gone  
But I'll go anywhere  
Yes, I'll go anywhere with you

This is the danger zone  
This is where I came in  
They know not what they do  
Forgive them of their sins  
They know they cannot take away  
What you have given me

Ohh  
Ohh  
Ohh  
This is just where I came in

Fade into colour  
Colour into black and white  
Under the bedclothes  
Everything will be alright  
I know that you know  
Nothing ever stays the same  
Said so, I said so  
The love will never speak its name

Never gonna find somebody like you  
Beauty with a brain and a body too  
I could never make a move on a woman that leads me on  
She's got a little bit of something for everyone  
It's a little too late and the wolf is on the run

Hope rides on  
But I'll go anywhere

Yes, I'll go anywhere with you  
Time has gone  
But I'll go anywhere  
Yes, I'll go anywhere with you

I always told myself  
I would regret this day  
That I would fall apart  
And watch you walk away  
That you would cry out loud  
And I would stand aside

Ohh  
Ohh  
Ohh  
This is just where I came in

I can fly  
But I'll go anywhere  
Yes, I'll go anywhere with you

This is the danger zone  
This is where I came in  
They know not what they do  
Forgive them of their sins  
They know they cannot take away  
What you have given me

Ohh  
Ohh  
Ohh  
This is just where I came in

Ohh  
Ohh  
Ohh  
This is just where I came in

Ohh  
Ohh  
Ohh  
This is just where I came in
