You Know It's For You

I will die for you I have cried for you, believe me girl Don't you think it's time you made up your own mind? All my love's for you All I do's for you Still I think it's time you made up your own mind

My melody, my symphony You know it's for you, love It's plain to see, it's meant to be Now it's up to you, love

Still I'll wait for you Waiting just for you, don't leave me girl Don't you think it's time you made up your own mind? Love is here for you Love was made for you, believe me girl Don't you think it's time you gave up? You are mine
