You Win Again

I couldn't figure why You couldn't give me what everybody needs I shouldn't let you kick me when I'm down My baby

I find out everybody knows that You've been using me I'm surprised you Let me stay around you

One day I'm gonna lift the cover And look inside your heart We gotta level before we go And tear this love apart

There's no fight you can't fight this battle of love with me You win again, so little time, we do nothing but compete There's no life on earth, no other could see me through You win again, some never try but if anybody can, we can And I'll be, I'll be following you Following you, oh girl

Oh baby, I shake you from now on I'm gonna break down your defenses, one by one I'm gonna hit you from all sides, lay your fortress open wide Nobody stops this body from taking you

You better beware, I swear I'm gonna be there one day when you fall I could never let you cast aside The greatest love of all

There's no fight you can't fight this battle of love with me You win again, so little time, we do nothing but compete There's no life on earth, no other could see me through You win again, some never try but if anybody can, we can And I'll be, I'll be following you Following you

You win again, so little time, we do nothing but compete There's no life on earth, no other could see me through You win again, some never try but if anybody can, we can And I'll be, I'll be following you Following, following you

You win again, so little time, we do nothing but compete There's no life on earth, no other could see me through You win again, some never try but if anybody can, we can

There's no fight you can't fight this battle of love with me You win again, so little time, we do nothing but compete There's no life on earth, no other could see me through You win again, some never try but if anybody can, we can

There's no fight you can't fight this battle of love with me You win again, so little time, we do nothing but compete Tištěnoz www.txp.cz Sponzor: www.srovnavac.cz - šetříme na pojištění!
