Hmm, he-he
Oh, hey
Doesn't matter (It doesn't matter)
Doesn't matter at all

Doesn't matter what your friends are telling you Doesn't matter what my family's saying too It just matters that I'm in love with you It only matters that you love me too

It doesn't matter if they won't accept you I'm accepting of you and the things you do Just as long as it's you Nobody but you, baby, baby

My love for you, unconditional love too Gotta get up, get up Get up, get up and show you that it...

Doesn't really matter what the eye is seeing Cause I'm in love with the inner being And it doesn't really matter what they believe What matters to me is you're in love with me

Doesn't really matter what the eye is seeing Cause I'm in love with the inner being And it doesn't really matter what they believe What matters to me is you're nutty-nutty-nutty for me

Just what I asked for, you're so loving and kind (And you're mine)
And I can't believe you're mine

Doesn't matter if you're feeling insecure Doesn't matter if you're feeling so unsure Cause I'll take away the doubt within your heart And show that my love will never hurt or harm

Doesn't matter what the pain we go through Doesn't matter if the money's gone too Just as long as I'm with you Nobody but you, baby, baby

You're love for me, unconditional I see Gotta get up, get up Get up, get up and show you that it...

Doesn't matter what they say
Cause you know I'm gonna love you anyway
Doesn't matter what they do
Cause my love will always be with you

My love for you unconditional love too Gotta get up, get up Get up, get up, get up and show you that My love is true, and it's just for you, uh Nutty-nutty my love for you
I can't believe my dreams come true
I've finally found somebody whose heart is true
And best of all you love me to
And nutty-nutty-nutty my love for you
I can't believe my dreams come true
I've finally found somebody whose heart is true
And best of all you're nutty-nutty-nutty for me

3 - Whoa, whoa

Nutty-nutty my love for you
I can't believe my dreams come true
(He-he)
I've finally found somebody whose heart is true
And best of all you're nutty-nutty-nutty for me
Nutty-nutty-nutty my love for you
(I'm always doing that!)
I can't believe my dreams come true

I've finally found somebody whose heart is true And best of all you're nutty-nutty-nutty for me
