

Gospel Time

Beenie Man

Praise him, praise him, praise him
Praise him, praise him, praise him
Praise him, praise him, praise him, praise him
Yeah, now it's gospel time now

Move to the left in the name of Jesus
Move to the right in the name of the Lord
Could I see you just shake that booty that Jesus gave you?
Shake that booty in the name of the Lord
A salvation time gonna sing a little song

Everybody has to know
Everybody has to know who Jesus is
He's the lily of the valley, he's the brightest morning star
He's the fairest of ten thousand, everybody has to know

Real, real, real Christ, so real to me
I love him, give us the victory
Many people doubt him, I can't do without him
That is why I love him so, he's so real to me

Move to the left in the name of Jesus
Move to the right in the name of the Lord
Shake that booty that Jesus gave you
Shake that booty in the name of the Lord

Lay down my burden, down by the riverside
Down by the riverside, down by the riverside
Lay down my burden down by the riverside
Study war no more

Study war no more, study war no more
Study war no more, study war no more
Study war no more, study war no more

Move to the left in the name of Jesus
Move to the right in the name of the Lord
Shake that booty that Jesus gave you
Shake that booty in the name of the Lord

One, two, three, four, five, six, seven
I am on my way to Heaven by the grace of God in me
Nine, eight, seven and six, five, four, three

Across the bridge there'll be no sorrows
Across the bridge there'll be no pain
The sun will shine across the river
And I'll never be unhappy again

Move to the left in the name of Jesus
Move to the right in the name of the Lord
Shake that booty that Jesus gave you
Shake that booty in the name of the Lord

Move to the left in the name of Jesus
Move to the right in the name of the Lord
