Beenie Man

When you see me, remember am the hottest man alive
Yo si mi, the clothe mi wear, the car dem weh mi drive
Yo si mi, woman a scream anywhere mi arrive
Mi life sweeter than the honey from the hive

When you see me, remember am the hottest thing around
Yo si mi, inna mi Mers cursing through yo town
Yo si mi, when yo girlfriend a run mi down
Mi keep mi head above the water when dem waan fi si mi drown

Well I got girls whole heap
Yes mi usto have a wife
Yea she gimmi the inspiration to change mi life
One king, yes mi know seh that right
Gyal fi fit the criteria, everything fi tight
Girl weh love girl seh dem waan fi ride mi like a bike

Whatever inna the darkness must come inna the light
