

# Street Life

Beenie Man

Yo, sometimes you have to just be a man and apologize to your woman, ya star

The amount of ting whe you put her through  
Rock this!

When a girl cry cause of you  
Not one ting you can say or do  
Make any man go change his mind  
No matter what you wanna do  
First you find it hard to speak (true)  
Girl straight out make a brother weak  
Killing me softly every time  
And all that I can be

On the street just ballin  
Girls have been callin  
Drop top fallin  
Brothers keep rollin  
Livin nothing but a street life (street life)

For all the troubles I brought ya  
For all the time that you cried  
Baby for that I apologize (apologize)  
For all the time that I've hurt ya  
For bringing tears to your eye  
Baby for that I apologize (apologize)  
Well I can see it in your eyes  
No telling you no lies  
Girl I did you wrong  
You'll never find another guy  
So this is what we got to do  
Make a family cause it's true  
Girl you are a part of me  
My heart belongs to you  
Cause I can see it in your eyes  
No telling you no lies  
Girl I did you wrong  
You'll never find another guy  
This is what we got to do  
Make a family cause it's true  
Girl you are a part of me  
My heart belongs to you now

On the street just ballin  
Girls have been callin  
Drop top fallin  
Brothers keep rollin  
Livin nothing but a street life (street life)

Do you understand the feeling when I'm feeling  
When I tell you how I'm feeling  
When I'm feeling that way  
Can't get over how you make everything better girl  
When you are around me you bring joy to my day  
Don't know what I will do without you in my life  
I don't give a damn about what people wanna say  
All I'm saying that (what)

This is where I'm at (at)  
And I'd do anything to make you stay

On the street just ballin  
Girls have been callin  
Drop top fallin  
Brothers keep rollin  
Livin nothing but a street life (street life)
