

## Silence

### Before the Dawn

I destroy all in me  
That might be understood  
As weakness or fault  
I condone and embrace  
The inescapable  
End of it all

There are no words in this world  
To make you comprehend  
Darkness beyond all senses  
Under the black wings I lay myself to rest  
And draw a new note of silence

I behold and observe  
That in my reflection  
There are no scars  
I aim to be reborn  
And redress my failures by  
The destruction of this form
