

# The Beast Within

## Before Their Eyes

I'm standing in the shadows  
I can't hide it anymore  
The moon is full  
And it's taking over me

I just can't take it  
I just can't take it anymore  
This curse is haunting  
Haunting me just like a ghost

I can feel it taking  
I can feel it taking over me  
There's no stopping me  
I'm addicted to what I've become  
I can feel you shaking  
I can feel you shaking on your knees  
There's no stopping me  
You're addicted to what I've become

My heart is racing  
I can't stop chasing after you  
Your heart stops beating  
And I can't resist the taste of you  
Can you feel me breathing down the back of your neck  
I can hear you screaming  
Screaming for the beast in me

I can feel it taking, taking over me  
There's no stopping me  
I can feel it taking  
I'm addicted to what I've become

I can feel it taking  
I can feel it taking over me  
There's no stopping me  
I'm addicted to what I've become  
I can feel you shaking  
I can feel you shaking on your knees  
There's no stopping me  
You're addicted to what I've become

I'm addicted  
I'm addicted

I can feel it taking  
I can feel it taking over me  
There's no stopping me  
I'm addicted to what I've become  
I can feel you shaking  
I can feel you shaking on your knees  
There's no stopping me  
You're addicted to what I've become
