All Night Long

(Alina: We're dancing All Night Long Untill the break of dawn Jump around and dance Have a sweet romance Dancing All Night Long Tonight we can't go wrong Jump around, this sound, This song, plays All Night Long) Alina: Life is much too short To live it alone Manou: It will bring you down, To live it on your own Just have fun Alina: The party's just begun Alina & Manou: Just reach up for the sun BeFour: We're dancing All Night Long Untill the break of dawn Jump around and dance Have a sweet romance Dancing All Night Long Tonight we can't go wrong Jump around, this sound, This song, plays All Night Long Angel: People on the beach They dance in the sand Dan: Lovers in the dark They're walking hand in hand This is fun Angel: The party's just begun Dan & Angel: Tonight we can't go wrong BeFour: We're dancing All Night Long Untill the break of dawn Jump around and dance Have a sweet romance Dancing All Night Long Tonight we can't go wrong Jump around, this sound, This song, plays All Night Long Oooo... All Night Long Oooo... All Night Long Oooo... All Night Long

beFour

```
Oooo... All Night Long
Manou & Alina:
We're dancing All Night Long
Untill the break of dawn
[Angel:
We're dancing All Night Long
All Night Long]
Manou & Alina:
We're dancing All Night Long
Untill the break of dawn
[Dan:
We're dancing All Night Long
All Night Long]
BeFour:
We're dancing All Night Long
Untill the break of dawn
Jump around and dance
Have a sweet romance
Dancing All Night Long
Tonight we can't go wrong
Jump around, this sound,
This song
We're dancing All Night Long
Untill the break of dawn
Jump around and dance
Have a sweet romance
Dancing All Night Long
Tonight we can't go wrong
Jump around, this sound,
```

This song, plays All Night Long
