Aha, Aha □ Aha, Aha

Everybody's here, it's time to celebrate  
you can see it's clear, you know I just can't wait  
it is destiny, feel the energy  
can you see the moon is shining bright  
let the rhythm be your guide tonight

Baila, Baila dance with me, oh  
Baila, Baila's got to be, oh  
take me to the edge of heaven,  
aiaiaiaia  
Baila, Baila you and I, oh  
baby we can touch the sky, oh  
I know that it's now or never, aiaiaiaiaia
