

## Red(The Color Of Love)

beFour

RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS  
SO PLEASE BEWARE OF, LIFE WILL TELL YOU THAT  
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS  
ENOUGH IS ENOUGH

JUST LOOK AT ME AND READ MY LIPS  
THEY TELL YOU ABOUT LOVE  
I FEEL IT IN MY FINGERTIPS  
YOU'LL NEVER GET ENOUGH

WHEREEVER YOU ARE I WILL BE BY YOUR SIDE  
YOU'RE MY LUCKY STAR AND THERE'S NO NEED TO HIDE

RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS  
SO PLEASE BEWARE OF, LIFE WILL TELL YOU THAT  
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS  
ENOUGH IS ENOUGH

HOLD ON YOUR FEELING WHEN WE KISS  
AND STARS LIGHT UP YOUR HEART  
CAUSE THAT'S THE MAGIC THAT YOU'LL MISS  
WHEN WE ARE APART

AS BLUE AS THE SKY I FEEL WHEN YOU'RE NOT HERE  
BUT WHEN YOU ARE MINE OUR PARADISE IS NEAR

RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS  
SO PLEASE BEWARE OF, LIFE WILL TELL YOU THAT  
RED IS THE COLOUR OF LOVE AND THE COLOUR OF SADENESS  
ENOUGH IS ENOUGH
