

# Alas, Lord Is Upon Me

Behemoth

"Let them hate me, so that they will but fear me."

"Those enemies of mine who did not want me to be king over them  
Bring them here and kill them in front of me"

Behold! As Rome burns so do I...  
'tis not the last empire to crumble  
I bore witness to rise and fall ov tribes ov Adonai  
And fallen short ov a glory ov god

Lord ov hosts  
Whore ov salvation  
Tear the skies as you spread your legs  
Vomit forth upon my head  
All afflictions and abominations known to man
