

## Antichristian Phenomenon

Behemoth

been haunted be the paws ov fear  
and felt his breath upon my neck  
I was granted with the pain divine  
and my voice was heard no more in heaven

great in power  
thus call'st me almighty  
in not be first archangel  
I shall be the last among thee

come over to seduce your angels  
been born to rape your mother's holy womb  
rebel  
so call me now  
as I stand above ye all

leave me unworshipped  
in the dens below forever I shall dwell  
malice in heart was bred and lives again  
my legions hid in south eden  
my flaming passions  
oceans ov love  
and all thou call'st  
the evil  
I summon thee  
bringer ov war  
bearer ov light  
earth's son

great in power  
thus call'st me almighty  
in not be first archangel  
I shall be the last among thee
