

## Fornicatus Benefictus

Behemoth

Almighty asmodeus, existant of chaos  
Ominous be thy name  
Thy kingdom come on earth  
Lead me into all temptation of my flesh  
So I may trespass greatly into  
Thy ways by my desires  
For thou art all sex-seeking unity  
Thou mighty genitalia of creation  
That knoweth no satiation  
Grant thou my wish  
For thou art power, ecstasy and actuality amen!
