

## Grave Desecration

Beherit

We'll cause your death  
We'll kill Jesus  
Rape the dead  
We'll spread evil

Grave desecration, grave desecration...

Rape the whores  
All night long

Grave desecration, grave desecration...

I go to the graveyard all night long  
Aaaarrrgghhh!  
I go to the graveyard ritual  
I go to the graveyard ritual

Grave desecration, grave desecration...  
On... Sabbath!
