

# Spirit Of The God Of Fire

Beherit

Spirit of the fire  
And spirit of the flames  
Hear me and hear my voice

O god of fire  
Mighty son of Anu  
Most terrifying among thy brothers, rise!

O god of the furnace  
God of destruction  
Rise up, oh god of fire  
Gibil, in thy majesty  
and devour my enemies

Rise up, O god of fire  
Girra, in thy power  
And burn sorcerers  
Who persecute me  
Burn them  
Destroy them  
Consume their powers  
Carry them away

Spirit of the god of fire  
Thou are conjured
