## **Spirit Of The God Of Fire**

Spirit of the fire And spirit of the flames Hear me and hear my voice

O god of fire Mighty son of Anu Most terrifying among thy brothers, rise!

O god of the furnace God of destruction Rise up, oh god of fire Gibil, in thy majesty and devour my enemies

Rise up, O god of fire Girra, in thy power And burn sorcerers Who persecute me Burn them Destroy them Consume their powers Carry them away

Spirit of the god of fire Thou are conjured
