

## Stay With Me

### Behind Crimson Eyes

I thought that I knew how,  
to keep these thoughts of you  
in the depths of my mind.  
But like you always do,  
you keep on pushing your way through,  
until all I see is you!  
There's no escape,  
from these stupid games you play,  
and I need you know,  
I can't live without you,  
gotta be around you,  
I need you to stay  
I can't live without you,  
gotta be around you,  
I need you to stay with me.  
Now I sit around,  
take photos off the walls,  
and smash them on the ground  
as I look at you,  
through broken glass I see the truth,  
you took a piece of me with you!  
There's no escape from these stupid games you play,  
and I need you know!  
I can't live without you,  
gotta be around you,  
I need you to stay  
I can't live without you,  
gotta be around you,  
I need you to stay with me.  
(I can't live without you)  
gotta be around you,  
I need you to stay  
I can't live without you,  
gotta be around you,  
I need you to stay  
I can't live without you,  
gotta be around you,  
I need you to stay with me  
(I can't live without you, gotta be around you, I need  
you to stay)
