

# All Night

Bei Maejor

I'm B-E-I M-A-E-J-O-R  
I'm B-E-I M-A-E-J-O-R

She's just a fly ass girl  
Livin' in a sexy world  
I told her jump in my Benz  
We can go anywhere

Yeah, unh  
So baby what chu on  
What chu drinkin'  
I know what chu want  
You winkin'  
I'm thinkin'  
That maybe we should hook it up  
'Cause girl my futures lookin up  
You know, fraternize  
Look it up  
She don't know what that word mean  
But she don't give a damn she thirsty  
But she heard I'm buyin' out bars like I'm openin' a gym  
All the girls hollerin' out "that's him"  
I'm rich boy  
Throw some D's on it  
These kicks boy  
Cost about seven hundred  
Hands up in the sky  
Let the party go all night

'Cause we feel, we feel, alright  
The weekends finally here  
So we gon', party on, all night  
So come on everybody  
Put your hands up, hands up  
Gon' and lose control  
If you gonna go all night, all night  
'Cause we feel, we feel, alright  
So we could make it go all night

We got white people, goin loco  
Spanish people, Acapulco  
Black people, wearin' gold though  
Out in Dallas, Tony Romo  
Prime time, I'm Deion Sanders  
Good guy, I'm Mr. Flanders  
Going nuts I fuck the Planters  
As I say, "I'm going hammer"  
Take this shot then take a gander  
Man this party goin' stupid  
Man this shit is like a movie  
Get down like somebody shootin'  
'Cause you look so good  
And I wish I could  
Get to my crib  
And we can go all night

'Cause we feel, we feel, alright

The weekends finally here  
So we gon', party on, all night  
So come on everybody  
Put your hands up, hands up  
Gon' and lose control  
If you gonna go all night, all night  
'Cause we feel, we feel, alright  
So we could make it go all night

She's just a fly ass girl  
Livin' in a sexy world  
I told her jump in my Benz  
We can go anywhere

'Cause we feel, we feel, alright  
The weekends finally here  
So we gon', party on, all night  
So come on everybody  
Put your hands up, hands up  
Gon' and lose control  
If you gonna go all night, all night  
'Cause we feel, we feel, alright  
So we could make it go all night
