

# Before You Leave

Bei Maejor

yeah, i think that it's funny  
that you're hurting now, yeah  
cause you thought it was cute  
when you were runnin' round  
with those girls  
you silly boy, we'll see  
whose gonna be crying now

i'm taking all your clothes  
and i'mma throw them all  
outside on the grass  
see i was such a fool  
to think we would last  
so you can pick your shit up  
and get gone, but

before you leave, before you go  
just give me the chance to tell you  
i hate you one more time  
tell me everything  
that you want me to know  
cause baby, you won't  
have a chance to see me again  
so put it all on the table now

so say what's on your mind  
and baby, say it fast (tick tock)  
and say it all cause this will be  
the only chance you'll get  
ain't it funny how when  
i'm about to walk away  
it's just the time when you decide  
that you want me to stay  
but it's too late

cause i'm packing your bags  
how silly of me  
to think we would last  
so you can get up  
out my house right now, but

before you leave, before you go  
just give me the chance to say that  
i hate you one more time  
tell me everything  
that you want me to know  
cause you may never  
get the chance to see me again  
so put it all on the table now

so say what you gotta say  
but i refuse to be the one  
who ignores what's right in my face  
so before you leave  
don't forget to take it all  
take anything that we shared  
you can even have the dog

so look me in my eyes one more time  
baby, tell me you're sorry  
(haha, it won't work this time)

before you leave, before you go  
just give me the chance to say that  
i hate you one more time  
tell me everything  
that you want me to know  
cause you may never  
get the chance to see me again  
might as well put it all on the table now
