Bei Maejor

Unh, jukebox  
You just look so good  
You got my boxers on

Standin' in the kitchen  
Cookin' on the stove  
Nothin' but my boxers  
Some high heels on

Girl you look so good  
Yeah you look so good

You got the radio on  
Playin' yo song  
Doin' yo dance  
Get it baby gone

'Cause you look so good  
Yeah you look so good

I could sit here and watch you all day  
Got me lost for words  
What can I say, girl?  
I ain't never seen my clothes fit nothing like that that that that that, no  
You ain't gotta wear no lingerie,  
Never let you go, nuh unh, no way, girl  
Don't stop, keep going  
Bring it back back back back back

She wanna wear my boxers  
And it looks so sexy  
So I ain't gone stop her  
Baby girl so fly,  
I'm saying "oh my"  
Man how could I stop her  
When she look so sexy  
Wearing my boxers,  
Wearing my boxers?  
Gon' gon' put'um on (Gon' put'um on girl)  
Gon' put'um on (Gon' put'um on)  
Woah, Woah...  
And when she got'um on  
Gon' do ya dance (Gon' do yo dance girl)  
Gon' do ya dance (Gon' do ya dance)  
Slow, slow...

Standin' in the mirror  
Somethin' like a model  
Body full of curves  
Somethin' like a bottle

Girl you look so good  
Yeah you look so good

Walkin' all around the crib  
With no shirt on  
Just my shorts

Get it baby gone

'Cause you look so good (so good)  
Yeah you look so good (yeah baby I)

I could sit here and watch you all day  
Got me lost for words  
What can I say, girl?  
Cause I ain't ever seen my clothes fit nothing like that that that that that  
, no  
You ain't gotta wear no lingerie,  
Never let you go, nuh unuh, no way, girl  
Baby nah don't stop,  
Bring it back back back back back

She wanna wear my boxers  
And it looks so sexy  
So I ain't gone stop her  
Baby girl so fly,  
I'm saying "oh my"  
Man how could I stop her  
When she look so sexy  
Wearing my boxers,  
Wearing my boxers?  
Gon' gon' put'um on (Gon' put'um on girl)  
Gon' put'um on (Gon' put'um on)  
Woah, Woah...  
And when she got'um on  
Gon' do ya dance (Gon' do yo dance girl)  
Gon' do ya dance (Gon' do ya dance)  
Slow, slow...

Now don't get me wrong  
You look great La Perla  
Good in them Vickies  
Believe me it's tempting,  
Good with your hair in a bun just loungin'  
Baby you're my queen, all I wanna do is crown ya  
I love how you look with my boxers on  
I feel like Dame Dash when the Roc was on  
Like I'm on the west coast back when Pac was on  
Have you hittin' high notes like a opera song

This girl super sexy wit' my draws on  
If all men dogs, I'm just tryna get my paws on  
Pretty face and her skin all soft  
I wouldn't mind if you let them fall off

She wanna wear my boxers  
And it looks so sexy  
So I ain't gone stop her  
Baby girl so fly,  
I'm saying "oh my"  
Man how could I stop her  
When she look so sexy  
Wearing my boxers,  
Wearing my boxers?  
Gon' gon' put'um on (Gon' put'um on girl)  
Gon' put'um on (Gon' put'um on)  
Woah, Woah...  
And when she got'um on  
Gon' do ya dance (Gon' do yo dance girl)  
Gon' do ya dance (Gon' do ya dance)

Slow, slow...
