

# Count On Me

Bei Maejor

Unh huh, unh huh, Unh huh  
Count on me  
When you need that shoulder to lean on  
I'm here  
Count on me  
When you're all alone  
Woah, yeah  
I'll be there  
When you need somebody to talk to  
I'm here  
You can count on me  
You know I'm always there  
Yeah, yeah, yeah  
I'm here

See I know it may sound crazy  
But I swear it's all true  
Every word of every love song reminds me of you  
And I know, I know, I know, I know  
You feel the same way to  
'Cause you stick around and put up with the stupid things I do  
But I'm sorry  
You know that you can always always count on me  
Do you feel me?  
(Unh huh, unh huh, unh huh)  
Because I love ya  
Girl I can't see myself wit' nobody but ya  
Aww nah  
Always know that you can

Count on me  
When you need that shoulder to lean on  
I'm here  
Count on me  
When you're all alone  
Woah, yeah  
I'll be there  
When you need somebody to talk to  
I'm here  
You can count on me  
You know I'm always there  
Yeah, yeah, yeah, yeah, yeah  
I'm here

Switchin' lanes and hittin' corners in my 7 45  
Tryna make my way to you  
No where else I wanna drive  
Feel so lucky  
I'm so lucky that I found that special one  
The first time I seen you smile  
Was the day my life begun  
'Cause I love ya  
I love you so much I would scream it out in public  
Can you hear me?  
(Unh huh, unh huh, unh huh)  
'Cause I need ya  
Some people doubt our love

But I'll make 'um believe us  
Aww yeah  
And always you can

Count on me  
When you need that shoulder to lean on  
I'm here  
Count on me  
When you're all alone  
Woah, yeah  
I'll be there  
When you need somebody to talk to  
I'm here  
You can count on me  
You know I'm always there  
Ooh, yeah, yeah, yeah, yeah  
Sing it with me

Ohh, ooh, ooh, ooh

I'm here

Ohh, ooh, ooh, ohh

I'm here

Ohh, ooh, ooh, ooh

I'm here

Ooh, ooh, ooh, ooh

Count on me  
When you need that shoulder to lean on  
I'm here  
Count on me  
When you're all alone  
Yeah  
I'll be there  
When you need somebody to talk to  
I'm here  
You can count on me  
You know I'm always there  
I'm here

I'm here

I'm here
